### **Freshman Admissions:**

Mount Aloysius College reviews files on a rolling admissions basis starting August 1 of the approaching senior year. Students are encouraged to apply as early as possible during their senior year. Nursing, Pre-Nursing and all Health Studies students are encouraged to apply by January 1 for priority consideration.

### **Transfer Admissions:**

In addition to the information above, transfer students must send high school transcripts and transcripts from any college or university attended. Transfer courses are reviewed on a credit-by-credit basis. Associate Degree holders are reviewed for automatic junior standing in Baccalaureate Programs.

### **International Admissions:**

International students must consult with the Coordinator of International Admissions and understand policies and procedures as set forth by the Department of Naturalization and Immigration. All secondary and college/university transcripts from other countries must be evaluated and converted by an embassy or professional organization to the United States Academic Scale.

### **Scholarships and Financial Aid:**

All students applying for financial aid must complete the Free Application for Federal Student Aid (FAFSA). Mount Aloysius College offers grants and scholarships to each student as they submit academic credentials to the institution. Pre-awarding takes place as students inquire and submit academic credentials. Mount Aloysius College does offer Mercy Presidential Scholarships on a competitive basis. Please refer to the college web site at <http://www.mtaloy.edu> or the scholarship/financial aid pamphlet for more information.
