

2007-2008 Verification Worksheet

Federal Student Aid Programs

Dependent

Your application has been selected for review in a process called "Verification". In this process, your school will be comparing information from your application with signed copies of your and your parent(s) 2006 Federal tax forms and W-2's. The law says we have the right to ask you for this information before awarding any Federal Aid (Grants or Loans). If there are differences between your application information and your financial documents, your school will send corrections electronically, to have your information reprocessed.

Your school **must** review the requested information under the financial aid program rules (CFR Title 34, Part 668) or you will not be eligible to receive any Federal Financial Aid (grants or loans).

Also, write in the name of the college for any household member, excluding your parent(s), who will be attending college at least half time between July 1, 2007 and June 30, 2008, and will be enrolled in a degree or certificate program.
