Dear [Insert Name of Community Sponsor here],

The members of the Service-Learning Committee of Mount Aloysius College are pleased to invite you as an honored guest at the Sixth Annual Service-Learning Exposition to be held at Mount Aloysius College on March 27, 2013, from 3:30-5:00 PM in Cosgrave Hall.

We recognize that it is only because of your unselfish supervision and kind gifts of time, support, and expertise that our students can receive the joy of serving others while gaining the benefits that only come from guided involvement in meeting community needs. Further, the service opportunities that you have made possible for [Insert Student’s Name here] helped excite and direct [his/her] reflection and research, greatly enhancing the learning process and enabling [Student’s Name here] to accomplish the course objectives with fuller meaning.

We are committed to student education by focusing on practical experiences; this is one way that we instill in our students the *Mercy Values of Mercy, Service, Hospitality, and Justice*. Your assistance in making Service Learning possible is essential to this task. Thank you so much for your generosity to our students.

Please join us as we celebrate the fruits of our students’ service-learning experiences on Tuesday March 27, 2013. Again, thank you.

We hope to see you at the Sixth Annual Service Learning Exposition.

Best Regards,

David Haschak
Chair, Service Learning Committee
