Registering for a Mount Aloysius Dual Enrollment Course

- 1) Work with your teacher and/or guidance counselor to make sure you are taking a high school course approved for dual enrollment.
- 2) Obtain approval from your teacher and/or counselor to enroll in the Mount Aloysius dual enrollment program.
- 3) Determine the name of the Mount Aloysius dual enrollment course (the college course name is needed, not the high school course name). Your teacher and/or guidance counselor should have this information.
- 4) Before registering for dual enrollment, you will need a credit/debit card to pay for the course.
- 5) Have your social security number available to use in the registration process.
- 6) Go to <https://www.mtaloy.edu/dual-enrollment/>. This page has general information about our dual enrollment program, but also includes a link to enroll. Click on the **Dual Enrollment Application** link to register for classes.
- 7) Complete the form with your information, including your social security number and payment information.
- 8) Look for an email confirmation and receipt from Mount Aloysius College!
